PROJECT BP RESCUE

FOSTER INFORMATION AND ACKNOWLEDGMENTS

When a new dog comes to **Project BP Rescue**, we may have limited information about their previous living situation. We kindly ask that our foster families understand that there can be an adjustment period for the dog to acclimate to his or her new home. Each dog is an individual, and we do our best to match every one with the best foster family possible. **Project BP Rescue** realizes that circumstances may arise when a dog needs to be moved to another foster home that is a better fit. We are a team of volunteers who share the common goal of doing what is best for the dog.

You will be expected to keep the foster dog safe and secure, return it to **Project BP Rescue** when requested to do so, and not promise the animal to anyone or imply that you have the authority to approve a potential adoption. **Project BP Rescue** retains ownership of all animals placed in foster care and will make all decisions regarding the adoption and placement of the animals fostered. Foster services performed by an individual are voluntary and are without any express or implied promise of salary, compensation, or payment of any kind.
